Kotekar-Beeru Road, Paneer, Deralakatte, Mangaluru - 575018, Karnataka, India

Justice K S Hegde

Founder

About the Management

Nitte Education Trust was founded in 1979 by Late Justice K S Hegde, former Judge of the Supreme Court of India and Speaker of the Lok Sabha. Justice Hegde strongly believed that education is pivotal to the overall progress of a community and this vision led to the birth of Nitte Education Trust. His legacy is being continued by his son, Mr. N Vinaya Hegde.

NITTE INSTITUTE OF ARCHITECTURE

About the Institution

Nitte Institute of Architecture (NIA), Mangalore was established in 2015 with the vision of building a learning campus that supports creative exploration and nurtures the journey of students towards a meaningful architectural practice. With its energetic, innovative and vibrant approach to architectural education, NIA is on its way to becoming a world-class institution. The school has been envisioned as a centre for excellence in tropical architecture with partners across the world and plans to offer undergraduate and postgraduate degree programs in urban planning, conservation, interior design, arts and product design in the near future.

NIA is a constituent college of Nitte (Deemed to be University), a premier university in Karnataka. The University has been accredited with an 'A' grade by the National Assessment & Accreditation Council (NAAC). The college offers a 5-year Bachelor in Architecture program that is approved by the Council of Architecture (CoA) and the All India Council for Technical Education (AICTE).

The curriculum at NIA is designed to incorporate hands-on practical training with theory-based education so that students learn by 'doing'. They can explore design through materials such as clay and wood. Structures are taught using models and real-life scenarios and students work with design professionals and learn under their supervision. An impactful architectural education at NIA is a given, but apart from that, students will also learn real-life skills that will make them market-ready for a fruitful professional career.

Vision

To build a learning campus that provides a boundary-less zone of creative exploration and nurtures the journey of young minds towards a sustainable architectural practice informed by a deep understanding of people, places and natural systems.

Mission

- To teach students how to discover, learn about and engage with architecture rather than teach architecture.
- To encourage design excellence through rigorous theoretical training, experiential learning, critical thinking, innovative pedagogy, craft and skill-building, dialogue and collaboration.
- To nurture holistic individuals who emerge as skilled professionals adept at harmoniously balancing human needs with the careful stewardship of nature.

Faculty

Director

Prof. Vinod Aranha holds dual Masters' degrees in Architecture and Urban Planning from the University of Illinois at Urbana-Champaign (USA); a Certificate in Business Administration (UIUC) and LEED Accreditation from the US Green Building Council.

The faculty at NIA comprises of a diverse group of professionals who specialize in different fields of design. Students are taught by architects and artists, engineers and landscape designers.

The complete list of teaching faculty is available at www.nia.nitte.edu.in

Bachelor of Architecture (BArch)

Intake: 40 | **Duration:** 5 years (10 semesters)

Eligibility

Pass in 12th standard with 50% marks in Physics, Chemistry and Mathematics and also 50% marks in aggregate of the 12th standard examination.

OR

Pass in 10+3 Diploma Examination with Mathematics as compulsory subject, with minimum of 50% marks in aggregate.

Besides this, candidates are required to qualify in the National Aptitude Test in Architecture (NATA) conducted by CoA or clear JEE - Paper II aptitude test in Architecture.

Admission Procedure

Candidates seeking admission to the BArch program are required to submit the Admission Enquiry form available on the homepage of www.nitte.edu.in

On receipt of the same, the Admission Section will guide the students with the process of registration and admission.

Candidates have to submit a creative portfolio along with grade reports and aptitude test scores for evaluation. Admission of eligible candidates to the BArch program is based on their aptitude, passion for the program and willingness to work hard consistently, apart from their performance in the qualifying examination. A personal interview will be part of the final assessment for admission.

Documents required for admission (Original + 3 attested copies)

- NATA score card/JEE Paper II Aptitude test score card
- 10th standard pass certificate for proof of date of birth
- 12th standard marks card/pass certificate
- Transfer certificate from the institution last attended
- Conduct certificate from the institution last attended
- Migration certificate from the Board of the institution last attended
- Physical Fitness certificate from a registered medical practitioner
- Blood group certificate
- Aadhaar card copy of the student
- Photographs: Recent colour photo with white background, of resolution 300-600 dpi & size 35 mm x 45 mm (P.P size 5 Nos.) & size 20 mm x 25 mm (Stamp size 5 Nos.)

Commencement of Classes

The classes commence in August each year.

Scholarships

Government scholarships may be available to deserving candidates. Please contact the college or admissions office for more details.

Careers in Architecture

- Architectural Journalism Energy & Sustainability
- Building Conservation
- Building Photography
- Construction Management
- Graphic Design
- Interior Design
- Landscape Design
- Product Design
- Research & Academia
- Urban Design
- Urban Planning

Facilities

Hostel

The institution provides safe, secure, clean and well-furnished hostels with hygienic vegetarian and non-vegetarian food. Recreation facilities include indoor and outdoor games and television. A resident warden and an on-call doctor is available to ensure safety and meet healthcare requirements. The hostel has zero tolerance towards ragging, use of tobacco and drug abuse. Security personnel are placed round-the-clock in all the hostels.

Transportation

Free shuttle buses ply between NIA and the university campus every half hour from 7:00 am to 4:30 pm. Free bus facilities are also available to pick and drop students from various parts of Mangaluru in the mornings and evenings.

Library

NIA has a growing library with a well-curated collection of books. Students also have access to several online journals and over 5000 educational resources through USGBC educational resources portal.

Computer Lab

Computers and digital media are powerful tools for exploring and presenting architectural ideas. NIA houses a state-of-the-art computer lab with the latest design and graphics software. A heavy-duty scanner and plotter are also available for student use.

Workshop

The institution workshop includes an indoor and outdoor section. The indoor section is equipped with all the basic infrastructure required for model-making, woodworking and metalworking. The outdoor workshop has a ceramic unit and heavy wood and metalwork equipment. Stone carving, sculpture and serigraph can also be done in the outdoor workshop.

Gym

A full-fledged gym with treadmills, rowing machines and several other equipment is located in the university campus. Students can access the gym between 6:00 am and 10:00 pm. The services of professionally trained instructors are available.

Happy NIA

Research indicates that happiness is the key to student success. The Happy NIA program started in collaboration with a group of health and well-being professionals, conducts talks, workshops and other programs that are intended to improve the happiness quotient among students and staff.
